Dear Silvina:

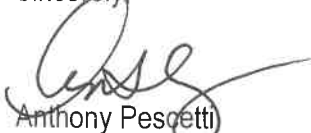

Last year I introduced a House Resolution declaring October as Protect Our Children Month. To kick it off, I hosted a School Safety Rally on the West Steps of the State Capitol – what a success it was! We had over 1500 students and 30 public safety agencies. There were coloring books handed out, rescue dogs giving demonstrations, kid fingerprinting, and even a classroom that filled up with smoke. It was quite a day! More importantly, this rally gave students the opportunity to meet and learn from public safety personnel in a fun environment. We even had hot dogs, soda and ice-cream. It was a great day and I am looking forward to the Protect Our Children Rally II.

This year, I am hosting a rally that will be even bigger and better. Over 50 agencies have committed to attending and I am already getting phone calls from schools that attended last year as to the date of this year's event.

This event would not have been the success it was without the support of the community. I was very fortunate to have some outstanding sponsors who provided food, t-shirts, ice cream, and various other goodies to make the event such a success. Since this year's goal is to be even bigger and better, I am inviting you to participate in this one of a kind event. I have enclosed a sign up sheet with some suggestions on how you and your organization can get involved. If you would take a moment and fill it out, I would appreciate. Also, if you would like a table at the event to promote your organization that can be arranged as well. Since we are ordering t-shirts and would like to include your name, I need confirmation of your participation no later than September 11, 2000. I have included a video from last year's event so you can see first hand what a success it was.

Again, I hope to see you on Friday, September 29<sup>th</sup> for what will be another great event for our kids. If you have any questions, please do not hesitate to call Rachel Otte in my office at 916/319-2230.

Sincerely,
